The purpose of this newsletter is to provide news of RNDM involvement in actions and activities related to our ministry of Caring for Our Common Home.

Good news from India North East Province:

ST MARY'S COLLEGE, SHILLONG World Environment Day 2024

As per the direction (**Letter No.SSB.2/Activities/Pt-IV/10,519, dated 9th May 2024**) from the Meghalaya Biodiversity Board, Government of Meghalaya, the Department of Geography in collaboration with the Department of Botany, St. Mary's College, organised a plantation of Medicinal plants in the college campus on the 3rd June 2024. During this programme students from the 2nd semesters from both departments were engaged in this plantation with the guidance of respective faculty members. This programme was conducted to commemorate the World Environment Day 2024 and also to recognise the importance of biodiversity in supporting the well-being of humans and society at large. The Sisters, teachers and students planted 30 medicinal plants.
